LAWN CLUB HIGHLIGHTS

Celebrity Cruises first evolved the Lawn Club experience on *Celebrity Silhouette* by providing additional venues on “The Lawn Club” deck (Deck 15) around the 22,927 sq. ft. lawn, where guests can revel in Celebrity Life activities.

- **The Lawn Club Grill** – The industry’s first outdoor, interactive grill venue, where guests can grill their own top-quality meat with the help of a Celebrity chef or have them grilled to order. During the day, guests can participate in interactive cooking demonstrations and classes led by Celebrity’s chefs or guest chefs. This exceptionally social specialty restaurant overlooks the flourishing lawn and the pristine sea.
- **The Alcoves** – Guests seeking seclusion can retreat to these eight exclusive, cabana-style settings that accommodate two to four guests, which are available for rental. These posh abodes offer themed picnic baskets and an a la carte beverage menu. Guests can also recline in the adjacent hammocks and oversized Adirondack chairs.

HIGHLIGHTED VENUES

- **The Hideaway** – The sanctuary, resembling an upscale, avant-garde tree house, provides guests with a quiet spot to read a best-seller or play a game of chess on their iPad. This inviting retreat is furnished with cozy lounging “nests,” perfect for those looking to unwind.
- **Michael’s Club** – This 24-hour lounge is exclusive to Suite Class guests and features a large-screen TV, reading areas stocked with magazines, newspapers, and books, plus a continental breakfast. Complimentary pre-dinner drinks and tapas are served 5:00 PM - 8:00 PM daily, and the dedicated concierge can help arrange specialty dining, shore excursions, and even handle inquiries about various ports of call.
- **Celebrity iLounge** – The cool approach to the Internet Lounge, Celebrity iLounge offers guests interactive workstations, an Apple retail area and an enrichment center where certified staff members provide guests with tips on Apple products.
- **CellarMasters** – This charming wine bar, equipped with the state-of-the-art Enomatic wine system, allows guests to serve themselves from an extensive array of first-class wines or be served by expert staff.
- **Qsine** – This “uniquely unordinary” specialty restaurant serves favorite dishes from around the world with a playful spin to them. Guests are engaged in a food-as-theater dining experience during which the menu and wine list are presented on iPads.

CELEBRITY REVOLUTION

Celebrity Cruises aims to set a new industry standard with the unveiling of the brand’s new initiative – the **Celebrity Revolution** – a complete modernization of its current fleet, beginning in 2019.

Fleet-wide enhancements will vary by ship, but will include a sleek, modern revitalized stateroom redesign, with additional staterooms and suites being added to some ships; technology enhancements; new culinary concepts; refreshed public spaces and dining venues; and a sweeter suite-class experience.
